## Introduction

Aerohive is announcing the End Of Sale (EOS) for the Classic (8x5) Support Program.

We will now offer 24x7 support coverage that was formerly model specific and will now be universal which simplifies our support offering by product family and switch port configuration.

## Description

End Of Sale (EOS) for 8x5 support products is effective **Thursday, July 7, 2016**.

To help transition orders of Aerohive products, we will honor all existing quotes and orders for EOS products until **Thursday, July 7, 2016**.

After Thursday, July 7, 2016 Aerohive is only able to accept orders with Select 24x7 Universal SKUs.

To help you identify the correct replacement product, please refer to the table on the pages that follow in this announcement, or contact your Aerohive sales representative.

New products and pricing can also be found in the latest published price list which is posted on the Aerohive website.

This applies to Classic (8x5) support products for all our Enterprise and Education customers, as well as all support terms (**1yr, 3yr, 5yr**).

There will be no change in support terms that were purchased in the past. Services will continue through the end of the existing support contract.

No other SKUs, promotions, or products are impacted by this change announcement.
